Crediton Coffee needed to fit out their whole shop and cafe and chose our crates as the solution.

With a budget of just under £2000 we managed to deliver a total solution which gave them masses of storage, a strong brand presence and a fantastic presentation style for their products. The crates were in various shapes, colours and some had hessian linings, they look amazing!

"To deliver such stunning impact for the budget was a fantastic result for us. It also gives us the flexibility to be able to change the layout as we go. The guys at Plantabox were brilliant all the way through the project."
